The ceremony for the inauguration of the officers took place in the Council chamber, chaired by the Mayor, Josefa Ronda with Councillor for Security, Andrew Bicknell and Local Police Chief Jose Mayans. They were assisted by the Town Hall Secretary, Jesus Angel Castro.

The new local Officers, Carlos Sanchez and Raul Casanova Andres Estalrich were sworn in after successfully passing the Basic Training Course under IVASPE (Valencian Institute of Public Safety and Emergency).

With these additional “fixed Officers” there is more stability in the local police, avoiding the need to use as much “interim” cover. This allows the Force to function better and leads to a higher quality service to residents.
